NOVENA TO ST. THERESE OF THE CHILD JESUS & THE HOLY FACE SEPTEMBER 23- OCTOBER 1ST

O Holy Virgin, St. Therese of the Child Jesus, sweet model of evangelical simplicity, hear our prayers. There are thousands of millions who do not know and love Jesus Christ. There are whole countries where people still worship the evil one and serve him in vice and wickedness.

You longed to travel the world over to preach the names of Jesus and Mary, and to raise the standard of the Cross on heathen soil. You longed to spread the Gospel in all parts of the earth, even to the farthest limits, and to have been a missionary since the world's creation until the end of time. Assist now, from Heaven, our Missionaries and Our Society placed under your patronage. Bless us and may we bring forth the fruit of your longing amid a thousand dangers and difficulties.

"My God make use of me... that through me, You may heal others; that through me, You may teach others; that through me, You may give Yourself to others." St. Therese of the Child Jesus & the Holy Face, pray for us!

DEVOTIONS TO OUR LADY UNDER HER TITLE OF ROSA MYSTICA or MYSTICAL ROSE

In our Little Chapel of the Holy Angels

"Notice: The Marian title 'Rosa Mystica' has a long history in the Church and is included in the Litany of Loreto. Regarding the apparitions of the Rosa Mystica to Pierina Belli at Montichiari and Fontanelle, Italy, no official declaration has been made by the Church to date (Dec. 2011).

The local bishop does welcome private pilgrimages and celebration of Holy Mass at the apparition site.

See: motherofallpeoples.com. We receive our faith from the Church and it is not dependent on private revelations. These messages remind us of truths that we already should know but need to bring to our hearts and put into practice. Three swords and three roses: On the first apparition (1947) She was sad and said: **"Prayer, Penance, Expiation" Then she was silent.** On the second apparition of the Mother of God, June 13, 1947, instead of the three swords she had three roses over her heart: red, white and gold (yellow). She explained the meaning of the three swords and the three roses: **The swords-The first sword: Lost vocations**
-The second sword: Lost grace
-The third sword: Lost faith. By praying, sacrificing and doing penance we bring roses to our Mother and do reparation for the injury of the swords.

White rose: "Prayer"

Red rose: "Sacrifice with expiation"

Golden-yellow rose: "Penance"

Penitence: acceptance of the little daily crosses - and also doing one's work in the spirit of penitence." From website: http://lovecrucified.com/mary/rosa_mystica/rosa_mystica.html#patroness

PRAYER TO OUR LADY FROM 1ST-13TH EACH MONTH (if able, make a Communion of Reparation on the 13th each month): "Mystical Rose, be thou blessed, Mother of Divine Grace. Thou has given to the whole of mankind thy divine Son, Jesus Christ, the Author of Grace. Mystical Rose, be thou ever blessed! Thy divine Son when dying upon the cross, obtained grace for us, and thou did cooperate with Him in this when the sword pierced thy soul. Mystical Rose, be thou ever blessed! Thou were chosen by the heavenly Father to be the mistress of His treasures, stewardess and distributor of all His graces. Mystical Rose, our mother! Turn loving eyes upon the billions of human kind. We beg thee, we beseech thee, let all obtain the grace of God through holy Baptism, the sacrament of Reconciliation, and all the other sacraments. Mystical Rose, Mother of Divine Grace, let us all attain to the house of the Heavenly Father, for we are all thy children and the children of God. Look upon my soul, which through sin is so poor and unworthy. Mystical Rose, thou gives to whom thou wills. Thou gives when and as much as thou wills. I trust in thee. I open my heart to thee. Let thy light irradiate my soul. Make thy motherly love with its measureless and pitiful power cause my indifferent heart to glow. Fill me with thy joy, thy humility and thy peace! Mystical Rose, thou accepts that thou are a mother with a special care for all those children who most require thy help. And so I seek thy help in all my bodily and spiritual needs. In particular for the following grace... Mystical Rose, thou are the mother of Jesus Christ and the mother of Divine Grace. Thou are the Mother of Mercy and the Mother of Life. Thou are our kind mother and our hope. Enclose me in thy Immaculate Heart and hear my prayer.

MYSTICAL ROSE, PRAY TO JESUS FOR US! X3

then,

PRAY OR SING THE SALVE REGINA!
